

who
really
cares?

we *care!*

**We're building a better world
- one heart at a time.**

The future is determined by the choices we make today. Preparing for that future begins with planning, much as one would do in building a home. **Norrøne Kristne Hjelpeorganisasjon** is committed to programs which provide a better tomorrow by providing help that is appropriate to the needs of today and lays a groundwork on which to build for tomorrow.

do you *care?*

Life can be difficult for all of us, even under the best of circumstances. If you are alone, living on the streets or handicapped it can be brutal. So many are without the security and basic necessities that most of us have come to take for granted. Norrøne Kristne Hjelpeorganisasjon works to provide the basic necessities to meet the need for today and assists in programs that provide the training and opportunities for a better tomorrow.

can you afford *to care?*

"Who is my neighbor?"

With the story of the Good Samaritan, Jesus tried to show that it is anyone who needs your help. If we have real love, we cannot face a needy situation without doing something about it. We must take action. Others hurried by because they were afraid, didn't want to get involved or just didn't care.

"Whatever you spend, when I come again, I will repay you" is God's promise to those who care enough to give. (Gospel of Luke Chapter 10, verses 25-37) We can't just pass by the poor man on the road to Jericho! We must take action like the Samaritan did.

together we *care a lot!*

By investing in the programs carried out by **Norrøne Kristne Hjelpeorganisasjon** you can make a positive, lasting impact in the lives of people in need. Your support will provide them with the assistance needed today and the hope and tools needed for helping themselves tomorrow.

Your help will enable dedicated, experienced volunteers, to carry out and administer programs of proven success.

Help that is appropriate to the need and that is administered with hope and training builds a better future for us all.

we make a *difference!*

We make a difference by:

- Collecting and distributing humanitarian aid.
- Sponsoring and organizing seminars that provide a service to the community.
- Providing training and educational opportunities for the handicapped and disadvantaged.
- Working with and assisting community projects for the homeless, the aged and orphans.
- Providing guidance and counseling to youth at risk.
- Enhancing parental education through support materials and services.
