

Valeria, administrator at Roberto Del Río, a very close friend (Pictured in middle).

**Our volunteers**, along with some of the doctors, nurses, administrators & others who give of their time to come and help as well. A small part of the great & extraordinary team of Roberto del Río Hospital. Together we create a bridge to bring hospital staff & children closer together, with the only purpose of giving them a better quality of life.

Cristina (middle) with doctor, nurses, patients, parents, Pedrito & volunteers.

Grace A. with Luz (nurse) & Gabriel (patient-11) he got kicked in the face by a horse, was operated on and is now recovering.
