

Rodrigo, 15 years old, has been a cancer patient for some years now. He's a very brave young boy. Through his sickness, his relationship with the Lord has grown & this helps him cope in a more positive way. The same holds true for his mother. (In picture with Michael)

Francisco (12) was also with his mom taking chemotherapy. He was all cheerful & full of faith & hope.

Jocelyn (14) with her mom. She's comes constantly to the hospital for chemotherapy. She's a lovely girl, but has suffered alot from depression. Her mom ask us to pray for her because she didn't want to live anymore. She's doing much better now & has a new hope for her recovery.
